

Preliminary Reports, July 2016

| Date | Location | Aircraft Type | Aircraft Damage | Injuries |
|---|---------------------------------------|---------------------|-----------------|--------------------|
| July 1 | Rybnyi Uyan, Russia | Ilyushin 76TD | destroyed | 10 fatal |
| The air tanker was fighting a wildfire when it struck a mountain slope. | | | | |
| July 6 | Italy, Texas, U.S. | Bell 525 | destroyed | 2 fatal |
| The experimental helicopter broke up in flight and struck terrain during a developmental test flight. | | | | |
| July 11 | Montijo Air Base, Portugal | Lockheed C-130H | destroyed | 3 fatal, 4 serious |
| The flight crew was conducting touch-and-go landings when the C-130 veered off the left side of the runway. | | | | |
| July 11 | Georgetown, Delaware, U.S. | Bell 429 | none | 1 fatal, 3 none |
| The GlobalRanger was engaged in external-load operations when the hoist operator fell from the helicopter after stepping out onto a skid. | | | | |
| July 11 | Bartow, Florida, U.S. | Cessna 310Q | substantial | 1 minor |
| The 310 descended into a swamp after both engines lost power while on a downwind leg to land. | | | | |
| July 11 | Hickory, Kentucky, U.S. | Bell 407 | substantial | 1 fatal |
| The helicopter was on final approach when it abruptly banked right and descended to the ground. | | | | |
| July 14 | Kona, Hawaii | Piper Apache | destroyed | 2 minor |
| The Apache was ditched in the Pacific Ocean after both engines lost power. The airplane sank and has not been recovered. | | | | |
| July 15 | Elwyn Creek, British Columbia, Canada | de Havilland Beaver | destroyed | 1 fatal |
| A search was initiated after the Beaver did not arrive at Mowdade Lake. The wreckage was found at 5,000 ft in a ravine. | | | | |
| July 16 | Madrid, Spain | Robinson R22 Beta | substantial | 2 fatal |
| The helicopter struck a power line and descended into a reservoir. | | | | |
| July 17 | Yakima, Washington, U.S. | Bell UH-1H | substantial | 8 none |
| The Huey helicopter struck terrain at 7,800 ft after losing tail rotor effectiveness during a landing attempt to rescue an injured hiker. | | | | |
| July 20 | Jinshan City, China | Cessna 208B | destroyed | 5 fatal, 5 serious |
| The float-equipped Caravan struck a bridge during takeoff from a bay. | | | | |
| July 21 | Plainfield, Illinois, U.S. | Piper Twin Comanche | destroyed | 1 fatal |
| Witnesses reported thunderstorm activity in the area when the Twin Comanche struck terrain in a steep nose-down attitude. | | | | |
| July 21 | Baldwin, Wisconsin, U.S. | Cessna 208B | substantial | 15 none |
| The pilot rejected a parachute drop due to weather conditions. The Caravan subsequently struck a ditch after overrunning the wet 1,950-ft (595-m) grass runway on landing. | | | | |
| July 22 | Bay of Bengal | Antonov 32 | NA | 29 NA |
| The An-32 was en route from Tambaram to Port Blair, India, at 23,000 ft when radar data showed that it turned left and entered a rapid descent. The aircraft was still missing at press time. | | | | |
| July 23 | Byron, California, U.S. | Beech King Air A90 | substantial | 15 none |
| The King Air stalled and entered a spin while nearing the jump zone at about 10,000 ft. The parachutists bailed out after the pilot regained control. He was able to land the airplane at the airport despite the loss of the right horizontal stabilizer and elevator. | | | | |
| July 24 | Leshara, Nebraska, U.S. | Beech B55 Baron | destroyed | 2 fatal |
| A witness heard abnormal engine sounds and then saw the Baron spin to the ground. The pilot and pilot examiner, who was conducting a check ride, were killed. | | | | |
| July 26 | Houston, Texas, U.S. | Embraer Phenom 300 | substantial | 2 minor, 1 none |
| Visibility was 3 mi (4,831 m) in rain and surface winds were from 130 degrees at 8 kt when the EMB-500 overran 8,000-ft (2,440-m) Runway 35 at Sugar Land Regional Airport on landing and struck an embankment. Both pilots sustained minor injuries. | | | | |
| July 27 | Columbia, California, U.S. | Cessna 310B | substantial | 4 fatal |
| Visual meteorological conditions prevailed when the 310 drifted left on takeoff and descended to the ground. | | | | |
| July 29 | McKinleyville, California, U.S. | Piper Cheyenne | destroyed | 4 fatal |
| The Cheyenne was on an emergency medical services flight at 10,000 ft when the pilot declared an emergency and reported smoke in the cockpit. The airplane struck terrain shortly thereafter. | | | | |
| July 31 | Kemerovo, Russia | Antonov 2R | destroyed | 3 fatal |
| The An-2 was on a positioning flight from Krasnodar to Irkutsk when it struck a mountain. | | | | |
| July 31 | Londrina, Brazil | Embraer EMB-820 | destroyed | 8 fatal |
| The Navajo, built under license by Embraer, stalled on approach and crashed into a hangar. | | | | |
