

# Membership UPDATE

*Welcome to new Flight Safety Foundation members in 2009!  
We thank you for your support.*

As an independent, nonprofit organization, Flight Safety Foundation is open to everyone, including individuals, interested in promoting aviation safety in any aspect. Flight Safety Foundation leads — or actively participates in — all the world's major efforts to improve aviation safety.

As a member, you will learn from others, share your knowledge and be in touch with industry leaders representing more than 1,200 manufacturers, suppliers, insurance companies, regulators, corporate operators, airports, airlines, other companies and individuals in more than 150 countries.

For more information on how to become involved, please contact Ann Hill, director of membership, +1 703.739.6700, ext. 105, or hill@flightsafety.org.
