

Mr. Martin Eran-Tasker, Technical Director, Association of Asia Pacific Airlines (AAPA)

Martin Eran-Tasker has held the position of Technical Director of the Association of Asia Pacific Airlines (AAPA) since 2004.

AAPA is the leading trade organization for international airlines based in the Asia-Pacific region, addressing a wide range of both regional and global policy issues affecting the industry.

AAPA works closely with regulators and other industry associations with the aim of fostering the sustainable growth of international civil aviation, and ensuring that Asia Pacific perspectives help to shape more effective global aviation policies.

Mr Eran-Tasker leads and represents AAPA on key technical and operational industry issues in the areas of safety, security, environment and operations. Mr. Eran-Tasker has over 30 years of aviation experience and has held a number of senior positions within the aviation industry.
