

## KNOWLEDGE SPONSOR

FlyingInIreland.com is the biggest aviation news website in Ireland with daily news stories covering everything from General Aviation to the Commercial Airlines, and Airports to Industry News. We also cover aviation news with Irish links from all over the world. We regularly cover aviation events big and small in Ireland and abroad. Our contributors come from all sectors of aviation including airline pilots, instructors, airline and airport management, general aviation enthusiasts, engineers and air traffic controllers. Sign up to our weekly newsletter where we'll email you out a digest of all of our news articles each week. [www.flyinginireland.com](http://www.flyinginireland.com)
