BAINES | SIMMONS

World Leaders in Aviation Safety

An AIR PARTNER company

Founded in 2001, Baines Simmons is a world leader in aviation safety consulting, specialising in aviation regulation, compliance and safety management. It is a trusted advisor to more than 750 aviation organisations and more than 40 Aviation Authorities. Baines Simmons helps to advance best practice, shape safety thinking and drive continuous improvement to safety performance. This is achieved through its three service offerings: consulting, training and outsourced services. Through these services, Baines Simmons has helped develop the skills and expertise of more than 120,000 aviation professionals across multiple facets of the aviation industry. Clients include: KLM, SAS, Thomas Cook, Thomson, British Airways, Virgin Atlantic, The Isle of Man Government, BAE Systems, MoD, Rolls Royce, Royal Air Force, Royal Navy, Airbus, the European Aviation Safety Agency (EASA) and UK Military Aviation Authority (MAA). Baines Simmons was acquired by the Air Partner group in 2015 and sits within its Consulting & Training division alongside Clockwork Research and SafeSkys.
