

Daniel Thomsen

Deputy General Manager
Stratasys – Asia Pacific Region

Daniel have worked in the AM industry for 17 years in Australia, England, Hong Kong, Korea and now Singapore. In his last assignment in Korea, he developed a strong direct presence in the country, and retain a market leadership position for Stratasys. He was General Manager in Korea for 6 years. Daniel is now transferred to Singapore as Deputy General Manager of Stratasys Singapore, not to manage day-to-day business, but more specially for an aerospace project Stratasys are currently initiating.
