World Leaders in Aviation Safety

---

An **AIR PARTNER** company

Founded in 2001, Baines Simmons is a world leader in aviation safety training and consulting, specialising in aviation regulation, compliance and safety management. We are a trusted advisor to more than 750 aviation organisations and more than 40 Aviation Authorities, helping to advance best practice, shape safety thinking and drive continuous improvement to safety performance. This is achieved through our three service offerings: consulting, training and outsourced services. Through these services, Baines Simmons has helped develop the skills and expertise of more than 120,000 aviation professionals across multiple facets of the aviation industry. Clients include: KLM, SAS, Thomas Cook, Thomson, British Airways, Malaysia Airlines, Virgin Atlantic, The Isle of Man Government, BAE Systems, MoD, Rolls Royce, Royal Air Force, Royal Navy, Airbus, the European Aviation Safety Agency (EASA) and UK Military Aviation Authority (MAA).
