

Pulsar Informatics, Inc.

Exhibitor Booth No: 13

Pulsar Informatics is an IS-BAO I3SA certified company specializing in systems that help organizations reduce fatigue-related risk and achieve peak performance. Fleet Insight enables safety managers and schedulers to proactively evaluate fatigue across their entire operation's schedule and formulate mitigation strategies. Fatigue Meter is used by pilots, flight attendants, and maintenance personnel to evaluate their individual flight and duty schedule.

Product category: Safety Solutions
