

Sponsorship Opportunities
Connect with New and Existing Customers at the
Singapore Aviation Safety Seminar

The Singapore Aviation Safety Seminar (SASS) is an annual safety seminar designed to provide a platform for aviation professionals to share the latest safety challenges, issues, developments and initiatives to raise the safety standards in the Asia Pacific region. SASS 2018 will focus on topics relating to latest technologies impacting flight operations, maintenance and engineering; safety threats and enhancement; and change management.

SASS is an excellent opportunity to promote your company while showing support for the Foundation. Choose from among two types of sponsorship packages that best meets your budget and goals.
