

Flight Safety Foundation's Academic Membership

Keep informed about everyone's #1 priority: Safety. With an institutional Academic Membership, you and your students have access to the world's most comprehensive aviation safety portal.

Who qualifies?

Academic institutions, such as colleges and universities or certified aviation trade programs that offer courses or degrees in aviation.

Who benefits?

All students and faculty in the program. (Note: If your school had a membership under the previous structure, which applied only to faculty, you will be given the opportunity to enroll in the new category based on the number of students in your program.)

What does it cost?

Membership dues are based on the number of students in the academic program. We have three membership tiers:

Membership Tier: Number of Students	Annual Institutional Membership Dues	Digital Subscriptions to <i>AeroSafety World</i>
Tier One: > 1,000 students	\$7,500	1,000
Tier Two: 500 to 1,000 students	\$5,000	500
Tier Three: < 500 students	\$2,500	100

As part of your Academic Membership, you and your students receive the following benefits:

- Complimentary online and mobile app subscriptions to *AeroSafety World*.
- Two (2) complimentary student registrations to our annual Flight Safety Foundation safety summits and discounted registration for student members beyond the two comps.
- Access to our online member community forum with its 24/7 networking possibilities.
- Opportunities for students and faculty to build their professional portfolios by providing editorial content to *AeroSafety World* or for use on the Flight Safety Foundation website.
- Free promotional opportunities to promote your program to Foundation members through the monthly member newsletter, which is emailed to more than 3,500 members, representing the leaders in global aviation safety.
- FSF member logo usage for the academic institution on their website and promotional materials.
- Sponsorship and advertising discounts for academic institutions at Foundation safety summits.
- Scholarship opportunities for students at academic member institutions.

Contact Louise Martin, Director of Membership, at martin@flightsafety.org or +1-703-739-6700, ext. 112 for more information or to enroll.

Demonstrate your commitment to a strong, effective, global safety culture.
