

Mr. Johnny Chin

Assistant Manager Flight Safety

Singapore Airlines

Johnny has been with Singapore Airlines coming 21 years. He started in this industry as an intern with British Airways, working as an Operations Planner from 1995-1996. Thereafter he graduated and joined Singapore Airlines as a cabin crew in 1998. After jet setting the world for 6 years, the opportunity came for him to join the Corporate Flight Safety Department for the next chapter of his career in 2004 as a Flight Safety Executive.

Now as the Assistant Flight Safety Manager, Johnny's responsibilities include the development of cabin safety, dangerous goods and in-flight medical policy for Singapore Airlines' cabin operations. In addition to this, his work requires him to carry out investigation for aircraft, cabin and medical related incidents. Johnny was also involved in the development of the Safety Management System within Singapore Airlines and conducts periodic SMS audits on the relevant departments for compliance. His experience has assisted him in spearheading projects in promoting and educating relevant operational divisions on the need to balance safety and service. Johnny is the Vice Chair of the IATA Cabin Operations Safety Technical Group.
