CORE COMPETENCE

Mentor thinking aviators with
Applied Aero-sciences
excellence.

MY PRODUCT

Not merely training psychomotor-
skilled pilots but Verbal & Non-
Verbal / Cognitive-beliefs enabled
professional aviators.

MY UNIQUE SERVICE TO YOUR ORGANISATION

Not mere routine professionals
but also add value by living &
executing your Mission & Vision
Statements.

SUMMARY

I have been a part of Pakistan Air Force for 14.5 years, following core values of **Integrity, Duty, Excellence**. I have proudly served the Force. I have been to **USA for T-38C conversion & IFF (Introduction to Fighter Fundamentals)** at Moody, AFB. Cat-B Instructor. **Graduated 11 personal students, who made combat pilots in PAF**. With a **Grand Total of 1823:05 Hrs (Instructional - 864:50 Hrs)** hours of safe flying under my belt, I can proudly state that I have made it here on my abilities, competencies and most of all ALLAH's WILL!

Have presented papers at **ISASI Annual Seminar** at Reykjavik, Iceland ('**FM-KCAASE 2014**' Sept 2016) and with **DDAAFS Aviation Safety Officers Program** at **Melbourne, Australia** ('**Automation Airmanship**' March 2017).
