

CV FOR MR ALEXANDER CORNELIUS

MR Alex Cornelius is currently the Manager for Cargo Safety, Security and Compliance for Singapore Airlines.

He joined Singapore Airlines Cargo in 2013 as its Safety Manger and assumed the Security, Quality and Environment portfolios in Oct 2015. On 1 Apr 18, he assumed his current position. He is responsible to the Senior Vice President of the Cargo Division for all Safety, Security and Compliance aspects for Singapore Airlines cargo operations. Alex is a member of the IATA and AAPA Cargo Security Working Groups and was previously a member of the AAPA Flight Operations Safety Working Group.

Prior to joining Singapore Airlines, Alex was with the Republic of Singapore Air Force for 23 years. He was a Navigator operating in the C130s and has served in various operational and safety positions across the Air Force. Prior to leaving the Air Force, he was the Head of Accident Prevention in the RSAF.
