| 9:00 – 9:45 a.m. | Welcome and Keynote: Day two will begin by focusing on the perspectives from Europe. Our keynote speaker will address what is being done in the industry now as well as what is on the horizon. FSF will also share the work being done by its European Advisory Committee. Welcoming Remarks:  
  - Mr. Mark Millam, Master of Ceremonies and Vice President, Technical, Flight Safety Foundation  
  - Dr. Hassan Shahidi, President & CEO, Flight Safety Foundation  
  Keynote Address:  
  - Mr. Eamonn Brennan, Director General, EUROCONTROL |
| 9:45 – 10:45 a.m. | Panel Discussion – European Initiatives and Collaboration During the Global Pandemic:  
  - Ms. Montserrat Barriga, President, European Regions Airline Association (ERA)  
  - Mr. Thomas Reynaert, Managing Director, Airlines for Europe (A4E)  
  - Mr. Luc Tytgat, Strategy and Safety Management Director, European Union Aviation Safety Agency (EASA)  
  Moderated by Mr. Andreas Flaig, Vice President, Corporate Safety and Compliance Monitoring, Lufthansa, and Member, FSF Board of Governors |
| 11:00 a.m. – 12:30 p.m. | Session 3 – The COVID-19 Pandemic – Industry Lessons Learned: Throughout its history, the aviation industry has had to overcome obstacles and adapt to an ever-changing world, all while striving for the highest safety standards. Recent challenges continue to present us with new safety risks to manage without the benefit of clear investigative findings. This session discusses how we must still learn from our experiences. We will look at strategies for identifying and mitigating risks that threaten the existence of the industry from pandemic events. The discussion will also include how to adjust an organization to maintain command and control while maintaining safety and exploring opportunities to advance safety improvements. Presentations:  
  - Strengthening Resiliency: An Airport Industry Case Study During COVID-19 – Mr. David Gamper, Director of Safety, Technical, and Legal, ACI  
  - Challenges and Lessons Learned: An Airline Perspective – TBD, Emirates Airline  
  Moderated by Capt. Mark Burtonwood, SVP Group Safety, Emirates Airline, and FSF International Advisory Committee Member |
| 12:30 – 1:30 p.m. | Exhibitor Networking: Enjoy interactive networking with exhibitors each afternoon of IASS 2020. |
Tuesday, October 20, 2020 (Paris, Johannesburg, Cairo, local time)

**Agenda – Day Two**

**IASS 2020: Safety Leadership and Global Collaboration During Crisis**

Session 4 – Safety Management

1:30 – 3:00 p.m.

[11:30 a.m. – 1:00 p.m. UTC]

Safety Management Systems (SMS) are the tools used around the world to improve performance. It is a systematic approach to managing safety, including the necessary organizational structures, accountabilities, policies, and procedures. This session covers how SMS can be applied throughout many different organizations.

**Presentations:**

- The Safety Record of Low-Cost Carriers Compared to Full-Service Airlines, and How It Might Differ Around the World – Mr. Peter Simpson, Global Head of Safety and Security, Standard Chartered Bank
- SMS Optimization – Capt. Paul Morell, Director of Business Development, ProSafeT

Moderated by Flight Safety Foundation International Advisory Committee Member
