

Virtual Event | February 10-11, 2021

SAFETY FORUM

Powered by SKYbrary

Agenda

The 8th Annual Safety Forum, co-organized by the Flight Safety Foundation, EUROCONTROL and the European Regions Airline Association, will take place virtually on February 10-11, 2021. This year's event will be dedicated to **Airport Safety** and the new **Global Action Plan for the Prevention of Runway Excursions (GAPPRE)**. One specific focus of the Forum will be Runway Excursion risk and the new GAPPRE – coordinated by FSF and EUROCONTROL, validated by EASA, IATA, CANSO and ACI and drafted with the help of an international team of more than 100 aviation professionals from more than 40 organizations.

FEBRUARY 10, 2021	
Executive Panel Kickoff 3:00 – 4:15 p.m. <i>Brussels local time</i> [1400 – 1515 UTC]	Reducing runway excursions and continuing to improve the overall safety of the approach and landing phases of flight continue to be a primary area of focus for the industry.
