BASS2021

BUSINESS AVIATION SAFETY SUMMIT

JUNE 3, 2021

A.M. PROGRAM

10:00 – 11:30 a.m. EDT

Welcome and Award**Welcoming Remarks:**

- Mr. Mark Millam, Vice President Technical, Flight Safety Foundation
- Mr. Tom Huff, Chair, Business Advisory Committee, Flight Safety Foundation

The Business Aviation Meritorious Service Award

Presented by Dr. Hassan Shahidi, President & CEO, Flight Safety Foundation

Session 4 – Medical Regulatory Updates

Top medical experts will discuss topics that include new processes introduced as a result of the ICAO Council's Aviation Recovery Task Force (CART) process, what can be expected as vaccines are rolled out worldwide, international quarantine requirements, evidence of latest variants in the virus, the use of medical certificates and vaccine passports, and other medical regulatory issues.

Speaker:

- Dr. Susan E. Northrup, M.D., MPH, Federal Air Surgeon, Office of Aerospace Medicine, Federal Aviation Administration

Moderated by Dr. Quay Snyder, M.D., MSPH, President and CEO, Aviation Medicine Advisory Service, and FSF Business Advisory Committee Member

Session 5 – Training for Safety

A leader in the pilot training industry will discuss new initiatives implemented over the past twelve months that focus on enhancing safety. They will also address what we are learning from evidence-based training programs, making effective use of simulator time for pilots, and building programs to train for learning styles and generational differences.

Speaker:

- Mr. D. Richard Meikle, EVP Safety and Regulatory Compliance, FlightSafety International

Moderated by Mr. Mark Millam, Vice President Technical, Flight Safety Foundation

Sydney Baker Memorial Scholarship Award

The Sydney Baker Memorial Scholarship Award will be introduced by Mr. Tom Anthony, Director, Aviation Safety and Security Programs, University of Southern California. All BASS 2021 attendees are entered into the drawing for the scholarship award.

P.M. PROGRAM

2:00 – 3:30 p.m. EDT

Session 6 – FAA SMS and Voluntary Program

The Federal Aviation Administration will present on their SMS and Voluntary Program.

Speakers:

- Ms. Tiffany LaTour, Assistant Manager, SMS Program Office, Federal Aviation Administration
- Thomas A. Rau, Assistant Manager, SMS Program Office, Federal Aviation Administration

Session 7 – Safety Data Analytics that Drive Operators SMS

Presenters will look at safety data gathering and analytics from employee reporting integrated with flight data monitoring and assessment. They will also look at what we are learning about business aviation from programs like ASIAs, and how this feeds back into operators SMS programs.

Speakers:

- Mr. Chad Brewer, Operational Safety Analyst, Federal Aviation Administration
- Mr. Steve Bruneau, VP Aviation Services, Polaris Aero
- Capt. Jared Taylor, Safety Manager, Johnson & Johnson
